

COVID-19 Safety Plan

Approval has been received from the Director of Public Health for the Point to Pinnacle (the Event) to proceed following the development of an appropriate Safety Plan for this level 3 event. Please read the following carefully to see how the contents of the Safety Plan will impact on your participation in the Event.

- **Compulsory Check In:** First and foremost, each participant **16 years and over** will be required to 'check in' via the **Check in Tas App**. on Race Day. The Event QR code has been included on the back of your race number and will be published on the Event website. It will also be available on site on Event day for staff, volunteers and supporters.

Why not check in as you pin your race number to your race top or as you part company with your mobile phone on Race Day !

- **Facemasks:** As the total number attending will exceed 1000, **Facemasks are required to be worn by all attendees on site over the age of 12.** Facemasks do not have to be worn by competitors once they are called to move to the start line, but must be put back on once you cross the finish line and on return buses.

EVERYONE MUST COME PREPARED WITH A FACEMASK that you can wear at the event

- **Unwell:** If you are unwell on the day of the Event, especially if you have cold or flu-like symptoms, please **stay home**. If you become unwell during the Event, withdraw, isolate and await the arrival of medical staff who will be present on course.
- **Social distancing:** is to be practised as far as possible. The Start area is spacious and will consist of three start zones so please spread out.
- The Pinnacle & Pub Walks commence at 7am. **Those competing in the Pinnacle or Pub Run are requested to not arrive on course prior to 7.10am** to prevent congestion in the Start area.
- **Spectators:** No spectators are allowed in the start area on the rooftop due to event social distancing restrictions. All spectators must wear a mask while on Wrest Point grounds while attending the event.

- **Personal Hygiene:** Please adopt the hygienic practices that we have all become accustomed to – cough or sneeze into your arm, maintain 1.5m separation wherever possible, avoid physical contact. Spitting is explicitly banned. Do not share drinks.
- **Queuing:** Please observe the queuing requirements and the directions of marshals for race number pick up, for toilets and Event-related bus transport.
- **Hand Sanitiser:** will be available at number pick up, toilet areas and other areas including the race start area and on the entrance to buses post event. Please use it.

Race Bib Pick Up: You should have now received an email containing your E-Ticket for Race Number bib pick up. Race number bib pick up is now available from *The Running Edge* (73 Murray Street, Hobart) **Race bib pick up runs for 10 days from 10.00am on Wednesday 10th November 2021 until 3.00pm on Saturday 20th November**

Presentations: will be held for all Walkers, Runners, officials and volunteers in the Tasman Room at Wrest Point (1700 Seated), Tasman Room Foyer (Food collection - 350 standing) and outdoor bar (250 standing). **You must wear your facemask at all times unless you are eating or drinking and when in the Tasman Room everyone is required to be seated.** We look forward to seeing you all back at Wrest Point after your event.

A Covid-19 Site Controller has been appointed to oversee the implementation of the Safety Plan on Event Day. That person and other event volunteers will be wearing hi-vis vests. Please follow their directions.

This year's Event is going ahead only because of the conditions outlined above. Public Health has expressed particular concern at the poor check-in rate by competitors in these types of events. Remember it is now compulsory.

Only your co-operation and observance of these conditions will ensure that the Event will receive similar approval, should it be required, in 2022.
